

Marlene H. Dortch
Office of the Secretary
Federal Communications Commission

Dear Ms. Dortch,

In light of the upcoming "localism in broadcasting" hearing to be held in San Antonio on January 28, 2004, I would like to express my gratitude to the management and employees of San Antonio's local WOAI television stations.

I have worked with WOAI TV for many years and they have always displayed a deep commitment to the people of San Antonio. Whether airing public service announcements to promote events along the River Walk or to raise money, WOAI TV is helping to improve San Antonio.

During this upcoming hearing, WOAI TV should be recognized for offering San Antonio top quality entertainment and news, but also for their dedication to our local community.

Sincerely,

Greg Gallaspy
Executive Director
